Thanks Stephanie! Just so others don't have difficulties subscribing to the database...there is a [Ex. 6 - Personal Privacy] Subscription ID.

[Ex. 6 - Personal Privacy]

Subscription ID: [Ex. 6 - Personal Privacy]

Password: [Ex. 6 - Personal Privacy]

Also, can I forward this info to SARAS? They are the ones who are now entering in historic data from Cabot-provided data.

Thanks,

Below is the subscription information for the Dimock historical data. There's still a lot of duplicate data in there but it's a start. I had to make a few changes to the template project to increase two field sizes but I'll make sure John has that information. I included the scribe import maps for samples and lab results so you can figure out where I put things. Let me know if you have any questions.
